Dear Friends:

I am delighted to congratulate you on the occasion of the 6th International Youth Culture Arts Festival Celebration on August 1, 2014.

This is a wonderful opportunity to celebrate the talent of young people from around the world as they demonstrate their training. I hope that all the young artists who attend will have a memorable time during their time in New York.

I am delighted to know that Flushing Town Hall, the premier cultural and arts venue in Queens, will host this prestigious event. We are fortunate to have such an establishment in our community.

I thank your committee and all those involved for working to bring young people together in this international forum. Only through cross-cultural relationships and understanding can we hope to make our world a better place to live.

I wish you every measure of success in this and all your future endeavors,

Sincerely yours,
