Dear Friends:

It is with great pleasure that I extend my warmest greetings and congratulations on the occasion of the 6th International Youth Culture Arts Festival.

This event truly embodies everything your wonderful organization stands for, namely to broaden students' horizons to understand each other through international exchanges; using the art of music, language and culture as a bridge to promote cultural exchanges and development between the peoples of P.R. China and the United States.

On behalf of the New York City Council, I hereby commend the Committee of the 6th International Youth Culture Arts Festival for their tireless work in promoting mutual understanding between the peoples of P.R. China and United States.

Please accept my best wishes for a successful event.

Sincerely,
